

• Disclaimers

Neither Equasis nor its officers or employees shall be under any liability or responsibility whatsoever regarding the data displayed on this site, including hyperlinks or printing. Whilst Equasis will make every effort to provide accurate information, it does not rule out the possibility of inadvertent omissions or inaccuracies.

Neither Equasis nor its officers or employees accept any responsibility and shall not be liable for any loss to any person caused by or arising from any information displayed on this site.

Only factual information is displayed in Equasis. Information does not undergo any changes by Equasis. Special attention has been paid to the accuracy of the data. Data is regularly updated in order to help ensure that information remains as reliable as possible. The frequency of updates varies from provider to provider.

No part of the information contained in or from the Equasis website may be stored in a retrieval system, or transmitted in any form, or by any means without prior permission in writing from Equasis.

The following actions are forbidden:

- Bulk-downloading of data contained on the site ;
- Use of downloaded data for financial gain ;
- Use of a robot or similar remote device to download large batches of data.

The above list is not exhaustive, and it should be noted that Equasis continually monitors the activity on its website and if misuse is detected, then the user's account can be locked without prior notice.
